- 1. I am personally satisfied as to my youth's fitness to participate in this activity. HYAA strongly recommends that you seek professional medical advice if there is any doubt about your child's fitness to participate in this activity.
- 2. Association Fee: In an ongoing effort to continually improve the quality of our programs, we have implemented a \$25 Annual Association Fee per family. This fee is payable at the time of the first registration for any of your children in a particular sport for each fiscal year. HYAA fiscal year runs from 9/1 through 8/31.
- 3. HYAA does not promote, encourage or guarantee player requests. We try our best to be sensitive to unique individual circumstances. However, with a program that serves over a thousand children, it is not practical or logistically possible to honor every request. If you have a particular concern other than carpool convenience or playing with friends, please discuss with our administrators at the time of registration.
