

## HYAA 2019 GIRLS LACROSSE SKILLS CLINIC (GRADES K-2)

# Volunteers needed!!!

The Girls Lacrosse K-2 Clinic session is looking for a parent or group of parents to assist in managing this clinic. We have had tremendous success in the past with parents running this program. This annual clinic has built a solid foundation and pipeline for the older girls teams. Don't worry, you won't be alone! A critical part of this program's success is partnering with the Holmdel High School Girls Lacrosse team. Coaches and player volunteers will help to run the clinic. You will also receive additional support from the Girls Lacrosse HYAA Commissioner.

No prior girls lacrosse experience necessary. You just need to bring a positive can do attitude with a bit of organizational skills attached. We need you to be able to run this fun instructional introduction to Lacrosse.

**Dates:** 6 Saturday sessions April – June    **Times:** (Pending Availability of Parent Volunteers)

If you are interested in taking the lead in running this clinic or can help out at the weekend sessions, please contact the HYAA office at [admin@HYAA.org](mailto:admin@HYAA.org).

The HYAA organization has moved to a TeamSnap registration process. TeamSnap is an online mobile enabled sports team management application that allows our league, coaches and parents a more efficient means of communicating schedules and team events. If you do not have a TeamSnap account, you will be asked to create one as you register (requires an email address and password). Please register using the online form found on our website's Lacrosse page ([www.HYAA.org](http://www.HYAA.org)). EVERYONE MUST CREATE A FAMILY ACCOUNT and register your child(ren) on TeamSnap. You can pay online by credit card or forward a check to the HYAA office. If you pay by check, please make sure that you put your child's name and SPORT on the re line of the check or on a separate piece of paper when dropping off or mailing to the office (PO Box 49 Holmdel, NJ 07733)

**HYAA is not an affiliate of the Holmdel Board of Education**
